## **10. Financial Evaluation Criteria**

- a. Monthly Report on Revenue should be submitted to the Art section, President's Secretariat by the 7th of every month.
- b. The President's Secretariat's objective is to maximise citizen engagement and incentivise selected licensee to sell affordable souvenirs to maximum citizens. For this

purpose, we are keeping an inverted revenue sharing structure, where revenue sharing decreases with increasing sales.

- c. No revenue share is required for annual revenue up to  $\gtrless 20$  lakh for each of the 4 places.
- d. For sales above 20 lakh following structure is followed:

Revenue slab	<b>Revenue Sharing %</b>
INR 20,00,001 to 30,00,000	X
INR 30,00,001 to 40,00,000	0.9x
Above INR 40,00,000	0.8x

- e. The bidder should indicate the value of 'x' in their financial bid, which will determine the shareable revenues as a key element of the financial bid.
- f. The revenue share offered by the applicant will be for annual sales exceeding ₹20 lakhs.
- g. The minimum acceptable bid for value of 'x' is 10%.
- h. The payment of consolidated revenue share for a financial year should be done by 31st March of the same financial year.
- i. The committee appointed by the President's Secretariat will evaluate and score the bids on a 100-marks scale, taking into account the favorability of the revenue share percentage offered and any conditions specified by the bidder
- j. The organisation/agencies shall submit their financial bid in the format given in Form6.
- k. Illustration of Financial bid is given in Annexure IV.

## **10. Selection Methodology**

- a. The committee shall rate the agencies based on predefined parameters (as mentioned in the technical evaluation selection). These parameters have been formed on the basis of above scope of work
- b. <u>The agencies are required to submit their technical bid (copy of the</u> <u>presentation), other relevant document & financial bids on or before stipulated</u> <u>date & time through CPP. Hard copies of the documents are not accepted.</u>
- c. The agencies are required to make a technical presentation (online/offline) to the committee constituted by the President's Secretariat at a scheduled date & time.
- d. The financial bids of only those agencies (agency) would be opened whose marks are more than or equal to 70 in technical evaluation round out of 100 marks based on predefined parameters (Ref: Technical evaluation matrix)
- e. If there is more than one technical-qualified agency, the agency which scores maximum marks in QCBS (70T:30F) would be considered for the award of the job. In the unlikely event of a tie in the financial bid between two agencies (value of 'x' of the agencies being the same), the financial bid of the agency which secured the highest number of points in the technical round will be considered for award of the job.
